2016 Award Winners

Wayne Campbell, of Pickerington, Service Above Self Award, for a non-Rotarian who does great work in our Licking County community. Campbell founded Tyler's Light in Pickerington after his son died of an accidental heroin overdose on July 22, 2011. Tyler excelled in academics and sports and went on to play in Division I football at University of Akron. A shoulder surgery led him to pain killers which progressed to heroin use. Campbell has spoken on the dangers of drugs, including legal opiates, to 60,000 students in Central Ohio (14,000 in Licking County) and also addressed Newark Rotary this past year. His mission is to help others overcome drugs so Tyler's Light will shine forever.

Bill "Mitch" Mitchell, Bravo Award: To recognize a Newark Rotarian and their community service made outside of Rotary. Mitchell is well known for his charitable efforts in the Newark community, including matching donations for a Salvation Army event, donating land for a senior living facility in Heath, supporting numerous Newark Rotary projects such the Accessible Playground and upcoming expansion project, and support of groups such as Call to College, Par Excellence Academy and Licking Memorial Hospital among many others.

Jim Withers, Rotarian of the Year: Jim has been a Newark Rotarian for just more than two years and made numerous important contributions in that brief time. Besides helping to lead the club's annual auction fundraiser to raise \$50,000 in 2015, Withers served on numerous committees while attending many events. He's also involved with American Heart Association, National Multiple Sclerosis; an adjunct professor at Central Ohio Technical College, and a board member for Licking County Coalition for Housing.
