Last week's meeting

Reporter: Erin Kennedy

President **Erin Kennedy** opened the meeting. The invocation and Pledge of Allegiance was provided by **Nelson McCray**. **Tom Slater** and **Peter Larson** led us in song.

President-Elect **Jack Neely** introduced the guests. Chris McLean was the guest of **Dan Evers**. Megan Prater and Carlos Rencher from Heath High School were introduced by **Trevor Thomas**. **Dave Hile** introduced Liz Schneider and Luke Kozlowski from Licking Valley High School and read their bios.

Announcements:

- Volunteers were needed to help with the September Service Project that afternoon at the Food Pantry Network. Food will be organized for the bookbag project for hungry children.
- **Jim Withers** provided an auction update. Auction items are needed. Special tables are for sale.
- One Rotarian is needed to serve as a team leader for a Group Study Exchange to Brazil. If you are interested, please see President Erin
- **Steve Rath** exchanged his red badge for a blue one.
- **Dan Evers** was bid farewell by the club.

Three About Me: This Rotarian is 1) featured in the picture in the liner notes of Nirvana's *Nevermind* CD; 2) a close personal friend of actor Morgan Freeman; 3) was named Golf Club Manager of the Year in Tennessee in 2004. Answer: **Joseph Moore**

Sergeant at Arms: President Erin fined Sergeant at Arms **Pat Jeffries** for appearing on a TV show featuring Licking Memorial Hospital. Pat then fined the following: **Bob McGaughy** and **Tom Cummiskey** for their work with LMH. **Jack Neely**, **TD Griley**, **Ed Bohren**, **Tony Adams** and **himself** for bringing in new members. **Jeff Lawyer** was fined for showing up at a meeting. All snow birds (especially **Bob Kent**) were fined in advance of their trip South. **Steve Rath** for his new badge and **Dan Evers** for leaving Newark and our club. **Bob Kent** was the high bidder for the OSU tickets.

Today's Program: **Rick Platt** introduced fellow Rotarian **Robert O'Neill** as today's guest speaker. Robert began by recognizing the efforts of his father, **Jack O'Neill**, for founding the Southgate Corporation in the early 1960s. He said that the success of Licking County today can be credited to Jack's vision of economic development for the area.

Robert says there has been more development in the last three or four years than he can recall ever. He says the type of development is very diverse and is spread out across the county. New construction includes the Beauty Park on State Route 161 which marks a \$200 million investment, 1600 new jobs and 1,200 jobs that have been retained. Other development includes the Central

Ohio Aerospace and Technology Center, Ariel Corporation and Mistras in Heath and new facilities in the Newark Industrial Park. The biggest challenge for ongoing economic development is maintaining a steady workforce availability. Licking County is a great place to locate a business, according to Robert. He says we are well-connected by the interstate system and the growth from Columbus continues to spread this way.

Raffle: Jerry Nethers was the lucky winner.

Thought for the week:

"For an economy to last we must invest in what will fuel us for generations to come. This is our history – from the Transcontinental Railroad to the Hoover Dam, to the dredging of our ports and building of our most historic bridges – our American ancestors prioritized growth and investment in our nation's infrastructure. – **Cory Booker**

September Service Project

About 25 Newark Rotarians gathered Sept. 22 at the Food Pantry Network to assemble 1,400 bags of food that will be distributed to 175 Newark students in backpacks each Friday to ensure they have food during weekends when free school lunches are not available. Each bag had about eight pounds of food.

Thanks to all who helped out!
