**Program: Tom Marcelain** introduced Justice Sharon Kennedy, Associate Justice of the Ohio Supreme Court. On November 4, 2014, Justice Kennedy was re-elected to a full term on the Supreme Court of Ohio in a decisive victory winning all 88 counties and garnering 73 percent of the vote.

Justice Kennedy shared information regarding Veterans Court, a Specialized Docket of the Supreme Court of Ohio and the Ohio Judicial System. Veterans Courts grew out of recognizing the great number of veterans coming through the judicial system. Currently, there are 180,000 veterans in prisons and jails (8% of the incarcerated population). With 22 veterans per day committing suicide and 1 in 5 of the 300,000 returning service men and women suffering from PTSD, depression, or traumatic brain injury, we have a unique obligation to leave no veteran behind.

Through the courts, veterans are held responsible for their criminal misconduct, however, a collaborative interdisciplinary team engaged to focus on providing wrap-around services which the veterans are entitled to by virtue of their service. Early identification of the veteran's needs, for example addiction services, provides the support the veteran needs to get back on the right track, while also activating funding through the Veterans Administration, leaving more local dollars free to be used for other needs.

Is the program making progress? A study involving the Mansfield Veterans Court followed 90 veteran participants for a year. In the beginning, 100% of the veterans in the program had been clinically diagnosed with PTSD. After 1 year in treatment, only 25% still had that diagnosis. Veteran's Court allowed these veterans to get the treatment they needed and deserved. Participants also displayed low recidivism – just 10%. Many had gained full time employment or were actively working to further their education.

If you are a lawyer and want to help a veteran, you can donate your time. Here in Licking County, 11.6% of the population is veterans.

Today, 15 Ohio counties out of 88 are participating, for a total of 21 certified Veterans Courts. Justice Kennedy's personal mission is to grow Veterans Court throughout the state. There are two pathways forward: 1) Courts can write a plan and submit to the Ohio Supreme Court to become a certified Veterans Court; and, 2) courts can be "veteran conscious." Without pursuing the formal certification, just by asking the question "Are you a veteran?" the judicial system can do so much to provide necessary and deserved critical services to our veterans.
