**Program:** Assistant Governor Bill Porter introduced District Governor Shane Pyle from the Coshocton Rotary Club.

Shane came to the stage to the theme of Star Wars and dressed as Darth Vader, equipped with a light saber. He began with a lesson he learned early in life that the person that speaks the most, learns the least. This is why he doesn't speak much and has listened to the needs of Rotarians. To illustrate, he began a slide show starting in 1972. The presentation began with world events going on at that time, including Volkswagen vans as the most attractive vehicle. He was certain as a 7 year old boy in 1972 that he would become Superman. He was born in Columbus though, not Krypton.

His grandfather encouraged him that if he wanted to save people, to become a Rotarian and make a difference. He likened all of us to a "Fiddler on the Roof." This was a Broadway favorite of his mother's growing up. He told the tale of the "Fiddler on the Roof" and compared it to Rotarians.

Since Superman was out the question, and Batman was too weird, he discovered that all other super heroes became so as a result of a significant lab accident. If he would have a life altering lab accident, Biology was the field to pursue and he did so at Nebraska.

Through creative power point skills, Shane acted out a received call from Rotary International President, Ian Riseley via Skype. Ian gave ridicule, as well as some praise to Shane's plans. Shane explained to President Ian all the highlights of what he wants to achieve in the District during his time. They talked about how 32 years after the Polio initiation, we are very close to ridding the world clear of it. Shane highlighted the District Conference and encouraged everyone to attend on May 18-20, 2018.

Shane closed with, "Deep down we all want to be superheroes and the good news is, we already are" – rips open shirt to show his Superman themed Rotary shirt. "Keep taking action, keep making a difference, and keep being extraordinary. May the Force of Rotary be with you and be with all of us, always."

**Thought of the Week:** "Carefully watch your thoughts, for they become your words. Manage and watch your words, for they will become your actions. Consider and judge your actions, for they have become your habits. Acknowledge and watch your habits, for they shall become your values. Understand and embrace your values, for they become your destiny." -- Gandhi
