Guests: President-Elect **Chuck Moore** introduced guests Jim Watercutter, guest of **Rob Klinger**, Nathan Strum, guest of **Cheri Hottinger**, and Bethany Bruner, guest of **Mike Shearer**.

Sergeant-At-Arms: **Pat Jeffries** thanked our Pelotonia riders (**Rob O'Neill**, **Anne Kennedy**, **Hugh Price**, **David Trautman** and **Laura Lewis**.) He fined **Dave Froelich** and **Bob Williams**. **Anne Kennedy** was fined twice! **Marcia Downes** took her fine opportunity to promote The Works Hats Off fund-raiser scheduled for Sept. 17.

History moment: **T.D. Griley** shared memories from his year as president in 1970. Bob Battat was the District Governor that year. Our club regularly met in the lunch room at the Licking County YMCA. Our club had a Rotorama day every year, an activity which all members got together to play games and sports. T.D. also explained how Rotary governance changed dramatically to allow for more local control. He also shared that **Samuel F. Owori** from Uganda has been elected RI President for 2018-19.

Program: **Cheri Hottinger** then introduced our guest speaker, Jordin Horan, Kroger's Assistant Real Estate Manager. Jordin shared many of the new features of the Kroger store planned to open in November on 21st Street. The new 124,000+ square foot facility will be of only

six in Ohio that are known as Marketplace. Some of the more interesting features of the new facility are an apparel department, home décor department, a Little Clinic, wine and beer tasting bar, Starbucks and Murray's Cheese Shop. The expanded toy department will keep youngsters entertained, too. Kroger will offer an on-line shopping option, which allows customers to order on-line and use a drive-thru to pay and pick up their groceries.

Kroger applied a new 'zero waste' concept when designing and building this facility by using a portion of the existing foundation from the original building and bringing equipment on sight to re-use concrete recovered from the existing building. Other material recovered from raising the building was recycled.

The new design also incorporated allowing as much natural light into the shopping space. The fueling center will be able to serve more customers, too.

Park National Bank will continue to partner with Kroger by having a larger bank in the building. While the current Kroger store employs 217 people, the new store will require the hiring of additional people. Both Kroger and Park National Bank recognize that the consumer market is evolving and the new Kroger is designed to continue to evolve as customer needs change.

Thought of the week: "One hundred years ago today: Women washed their hair only once per month using egg yolks as shampoo. Eggs cost about 10 cents per dozen. Cannabis and heroin were available over the counter at the corner drugstore. Pneumonia and influenza were the leading causes of death."

- **Is it the TRUTH?**
- **Is it FAIR to all concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**
