LAST WEEK'S MEETING

Reporter: Michael Shearer

Nate Adams was our greeter.

The annual meeting of the Newark Rotary Foundation was called to order in advance of the regular meeting. **Cheryl Snyder** recapped the past year and won club approval of her agenda items, including the financial report. **Mike Massaro** presented the recommended candidates for the foundation board, including: **Mike Massaro, Tom Slater, Cheryl Snyder, Jon Spahr** and **Tim Lehman**. In addition, President **Jack Neely** and President-Elect **Chuck Moore** will serve on the foundation board. The club approved the officers.

President Jack Neely rang the bell as **Tom Slater** led us in singing "R-O-T-A-R-Y." **Tony Adams** led invocation and Pledge of Allegiance. We then sang "For it is Rotary," with special lyrics for our guest speaker from Rotary International.

Guests: **Chuck Moore** introduced Kevin Kelly (Rotary Foundation); Brent Rosenthal, and Craig Maxey, district governor nominee. We also had numerous guests from the Reynoldsburg-Pickerington, Newark-Heath, Columbus and Athens clubs.

Announcements:

- Scioto Downs trip on August 19. See **Tony Adams**.
- A Third Thursday event was held at Yesterday's Pub on the 21st.
- **Nelson McCray** is seeking members to host students at meetings.

Sergeant-At-Arms: **Pat Jeffries** said all fines were given to the RI Foundation for that day. He fined: **Jim Withers, Bill Cost, Ed Bohren, Nelson McCray** and anyone who attended a "Slice of Licking County."

Program: **T.D. Griley** introduced our speaker John Hewko, who is in his fifth year as general secretary of Rotary International. He essentially runs the day-to-day Rotary operation. Hewko appreciated the song and thanked everyone in attendance for all they do for Rotary. He was particularly happy to be here for our 100th anniversary and because he used to live in Ohio.

Hewko describes Rotary as the unique intersection of commerce and cause with our deep business roots and ongoing efforts to improve our communities and the world. He focused his comments in two RI areas – the work he does and an update on four key RI initiatives.

Hewko heads up Rotary's professional staff at the world headquarters in Evanston, Ill, including 515 employees there and 200 overseas. Our

dues make the work of these people possible. "As I travel the world and get to see Rotary in action, I am in awe of what Rotarians are able to do," he said, noting our playground project and upcoming expansion. "Rotarians give back billions to the world every year."

Rotary's four main initiatives are:

1. Polio: We're going to eradicate a disease soon. There were 350,000 cases in 1985 and just 19 so far this year in Afghanistan and Pakistan. But the battle is not done as we need to have zero cases for a few years for polio to be certified as eradicated. Funds are still needed to match Gates Foundation.
2. The RI Foundation is embarking on a new course with new grant model. They encourage clubs and districts to do projects with more impact, possibly by partnering with other clubs. He urges us to support both our local and RI foundations.
3. Declining membership is an issue, especially in larger communities. One Chicago club is down from 800 to less than 200. We have been flat at 1.2 million members worldwide for years as growth in Asia has helped overcome losses in North America. Recent changes adopted by council on legislation provide clubs with more flexibility to meet twice a month, for example. They are experimenting to see what works best.
4. A brand initiative has a visual aspect and improves how we message internally and externally. The message is: Join leaders. Exchange ideas. Take Action. We need to think more about how we gear events to a non-Rotary audience.

Raffle: Not claimed

Thought of the week: From 100 years ago today: "A quarantine of New York City is considered in an effort to contain the polio epidemic, as 121 cases and 26 deaths are reported in the past day."

- **Is it the TRUTH?**
- **Is it FAIR to all concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**
