**Program:** **Mike Shearer** introduced Mark Weaver, a Granville resident, attorney and campaign strategist. He reminded us polls are snapshots and can change. If one candidate consistently polls over 50%, that seems to indicate a winner. This Presidential race has been interestingly close. The big unknown is who turns out to vote. Sometimes polling can be deceiving. Mark gave his analysis of the Presidential and US Senate race in Ohio. These are the two worst

presidential candidates in history and 44 percent of voters will be unhappy no matter who wins. But there will be no armed coup; the system is designed to withstand a "category 5 blowhard."

**Thought of the week:** "Let us not seek the Republican answer or the Democratic answer, but the right answer. Let us not seek to fix the blame for the past. Let us accept our own responsibility for the future." - John F. Kennedy

## World Polio Day Oct. 24

*By District Governor Steve Sandbo*

Everyday somewhere in the world polio or the threat of polio is with us, as has been true even before the pyramids were built. Now for the first time in history we can have the dream of ending this threat for all time. The efforts of scientists, health care workers, and especially the vision of Rotarians past and present have brought us to this watershed. As of the end of September, there are only 26 cases of polio in the world all located in Pakistan, Afghanistan and Nigeria. But as in many endeavors, the last measure needed to reach a goal is often the most difficult to achieve. We must be diligent in pressing forward to make sure polio is eliminated forever. I ask all Rotarians to give a thought to our efforts to eliminate polio. Be generous in your donations, consider a club PolioPlus fundraiser. The End Polio Now section of the RI website has examples of fundraising activities. If your club has its own foundation please consider a grant to PolioPlus. With World Polio Day on Oct. 24, RIGHT NOW is a prime opportunity to hold a fundraiser or designate fine money or a special collection for PolioPlus. We continue to have a powerful incentive. The Bill and Malinda Gates Foundation will continue to match two dollars for every dollar we raise. This past year District 6690 raised \$112,778 but considering this match our effort was worth over \$338,000 for PolioPlus.
